

Three rates – one **press data base**

The choice is yours: With three different rates PMG provides a concerted offer for you. Many advantages which the most comprehensive, up-to-date German press data base offers, are already available by choosing „PMG Basic“. An ideal and convenient way for you to get started in modern press work. Optionally the rates „PMG Komfort“ and „PMG Professional“ draw upon the full range of services of the PMG press database and offer additional tools. Should you have any questions about the different rates, please feel free to contact us.
